RASTER SCAN AND X-Y DISTORTION  
CORRECTION )

## **RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement dated September 14, 2005, applicant provisionally elects the invention characterized in the Office Action as Invention I, the claims readable on which are claims 1-22 inclusive.

Applicant respectfully requests reconsideration of the Requirement for Restriction as to Inventions IV, V and VI, the claims readable on which are claims 42, 43 and 44 respectively. The distinction in the Office Action is drawn only on the asserted basis of simple subclass differences and it is respectfully submitted that a search of the subject of invention I will disclose the art relevant to claims 42-44 as well.

An early and favorable Office Action on the merits is respectfully requested.

Respectfully submitted,

Theodore R. WHITNEY  
Applicant  
October 10, 2005
